A Note from the School

Ingenuity Prep is preparing Washington, DC's next generation of civic leaders. For the past two years, DC Public Charter School Board data show the school's early childhood program as having among the best classroom culture ratings (measured across three domains: Classroom Organization, Emotional Support, and Instructional Support) of any public charter school in the city. The school's early elementary program, which leverages digital content and a teacher career ladder with three highly qualified teachers in each classroom, provides regular, differentiated, small-group instruction that meets the learning needs of a wide range of students. Ingenuity Prep has been recognized by the National Alliance for Public Charter Schools as one of four schools successfully implementing "next generation" models and by Tom Vander Ark as one of "100 Schools Worth Visiting" across the country.
