Score Explanations

For schools serving pre-kindergarten (PK) through 8th grades, DC PCSB has implemented a new **Early Childhood/Elementary School/Middle School Performance Management Framework (PMF)** to assess academic performance school-wide. The framework now includes data for students in all grades at the school for multiple measures.

Starting in the spring of 2015, all students in grades 3 and higher, participated in the Partnership for Assessment of Readiness for College and Careers (PARCC).

* Due to the change in the state assessment, scores and tiers were not displayed in 2014-15.

A Note from the School

Friendship PCS's mission is to provide a world-class education that motivates students to achieve high academic standards, enjoy learning, and develop as ethical, literate, well-rounded, and self-sufficient citizens who contribute actively to their communities. Southeast Academy's rigorous, standards-based English, math, social studies, and science curricula, in addition to foreign language, health and physical education, art, and music are taught in a learning environment purposely crafted to prepare students for success in high school and college. Southeast Academy features an interactive library and technology-rich "Smartlab." Our program focuses on exploration, character development, and hands-on learning that is supported by classrooms equipped with Promethean Boards, desktop computers, and libraries. Extracurricular activities include robotics, Run for the Arts, and other academic clubs.
