Score Explanations

For schools serving pre-kindergarten (PK) through 8th grades, DC PCSB has implemented a new **Early Childhood/Elementary School/Middle School Performance Management Framework (PMF)** to assess academic performance school-wide. The framework now includes data for students in all grades at the school for multiple measures.

Starting in the spring of 2015, all students in grades 3 and higher, participated in the Partnership for Assessment of Readiness for College and Careers (PARCC).

* Due to the change in the state assessment, scores and tiers were not displayed in 2014–15.

A Note from the School

Friendship PCS's mission is to provide a world-class education that motivates students to achieve high academic standards, enjoy learning, and develop as ethical, literate, well-rounded, and self-sufficient citizens who contribute actively to their communities. Technology Preparatory Middle (Tech Prep Middle) is a 6th-8th grade college preparatory school with a focus on the STEM fields of science, technology, engineering, and mathematics. Middle school students experience a rigorous, standards-based curriculum that prepares them for success in high school and college. Tech Prep Middle provides a range of options for electives and extra curricular activities including the arts.
