## High School Score Explanations

For schools serving 9th through 12th grades, DC PCSB has implemented the **High School Performance Management Framework (PMF)** to assess academic performance school-wide. The framework includes data for students in all grades at the school for multiple measures.

Starting in the spring of 2015, students in high school participated in the Partnership for Assessment of Readiness for College and Careers (PARCC).

\* Due to the change in the state assessment, scores and tiers were not displayed in 2014-15.
