Score Explanations

For schools serving pre-kindergarten (PK) through 8th grades, DC PCSB has implemented a new **Early Childhood/Elementary School/Middle School Performance Management Framework (PMF)** to assess academic performance school-wide. The framework now includes data for students in all grades at the school for multiple measures.

Starting in the spring of 2015, all students in grades 3 and higher, participated in the Partnership for Assessment of Readiness for College and Careers (PARCC).

* Due to the change in the state assessment, scores and tiers were not displayed in 2014-15.

A Note from the School

Ingenuity Prep is preparing Washington, D.C.'s next generation of civic leaders. For each of the last two years, DC Public Charter School Board data shows the school's early childhood program with among the best classroom culture ratings (measured across three domains: Classroom Organization, Emotional Support, and Instructional Support) of any public charter school in the city. The school's early elementary program, which leverages digital content and a teacher career ladder with three highly-qualified teachers in each classroom, provides regular, differentiated, small-group instruction that meets the learning needs of a wide-range of students. Ingenuity Prep has been recognized by the National Alliance for Public Charter Schools as one of four schools successfully implementing "next generation" models and by Tom Vanderark as one of "100 Schools Worth Visiting" across the country.
