

WASHINGTON MATHEMATICS SCIENCE TECHNOLOGY PUBLIC CHARTER HIGH SCHOOL

Mr. John Zimmerman
Vice Principal

N'Deye Diagne, Ph.D.
Head of School

Mr. Enrique Watson
Vice Principal/Facilities Oversight

April 27, 2018

Dear WMST Students and Families,

We regret to inform you that, by action of the DC Public Charter School Board (DC PCSB), Washington Mathematics Science Technology Public Charter School (WMST PCS) will be closing as of June 30, 2018.

We understand that this occasion has the potential to be disruptive in the life of your child(ren). We take this process seriously and hope to mitigate any potential negative impacts. Our primary responsibility, along with DC PCSB, continues to be to your child's education. DC PCSB have developed specific procedures to follow in the course of the school's closure designed to minimize the disruption for your child(ren) and make the transition to a new school as smooth as possible. This includes working to address specific credit requirements and document transition. PCSB will be working with us to make sure these procedures are adhered to.

Enrolling your child in a new school as soon as possible is important for a smooth transition and continuation of all educational services to which your child is entitled. Please note that the My School DC post-lottery application for admission to public charter schools and out-of-boundary DCPS schools is **currently available [here](http://myschooldc.org)**, (myschooldc.org) and we encourage you to fill this out as soon as possible. You may also enroll your child in their DCPS neighborhood school for the 2018-19 school year.

WMST will conduct enrollment activities with students during school hours starting Wednesday, May 2, 2018 and continuing until all students have completed an enrollment application. The school also has laptops available for parent/guardian use to enroll your student. Please free to reach out to the school if you need any assistance with enrollment.

While it is your responsibility as a parent to choose a new school in which to enroll your child, DC PCSB has enrollment specialists available to aid you in making an enrollment decision, and they will reach out to you in the upcoming days. If you have any questions regarding this process, you can reach DC PCSB staff at (202) 328-2660.

Sincerely,

Dr. N'Deye Diagne
Head of School
