Pre-kindergarten Programs

For schools serving only pre-kindergarten (PK) grades, DC PCSB has implemented a new **PK Only Performance Management Framework (PMF)** to assess academic performance school-wide. The framework now includes data for students in all grades at the school for multiple measures.

* DC PCSB is scoring the results for schools that serve only PK grades but not assigning a tier in 2015-16 for this new framework. Schools can choose which age-appropriate assessments to administer to their PK students. PK assessments measure progress in pre-literacy, mathematics, and social-emotional development.

A Note from the School

The mission of Briya PCS is to provide a high-quality education for adults and children that empowers families through a culturally sensitive family literacy model. Dynamic, student-centered classes are designed for parents and children learning English. Adult students learn English as a Second Language (ESL), digital literacy, and parenting. Adults in the most advanced ESL levels may enroll in a high school diploma program. Briya provides workforce training to obtain credentials as a Child Development Associate or medical assistant. Briya's PK program provides dual language learners with a project-based education that promotes their development and knowledge in many areas. Briya has received recognition at the state and national levels for its outstanding teachers and parents.
