For schools serving grades PK–12, DC PCSB uses the **Performance Management Framework (PMF)** to assess school-wide academic performance. Schools are rated by tiers: **Tier 1** schools meet standards of high performance; **Tier 2** schools fall short of high performance standards but meet minimum overall performance standards; and **Tier 3** schools fall significantly short of high performance standards, showing inadequate performance.
* Due to the change in the state assessment, scores and tiers were not displayed in 2014–15.

A Note from the School

E.L. Haynes PCS's mission is to ensure that every student of every race, socioeconomic status, and home language will reach high levels of academic achievement and be prepared to succeed at the college of his or her choice. Every student will be adept at mathematical reasoning, will use scientific methods effectively to frame and solve problems, and will develop the lifelong skills needed to be a successful individual, an active community member, and a responsible citizen. We provide a rigorous college preparatory curriculum for students in grades PK through 12, specials and electives including language, music, dance, and art, and several advanced placement courses in the high school. We are DC's first year-round school with 1,000 additional hours of programming for students.
