INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of the AppleTree Early Learning Public Charter School (a nonprofit organization), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the AppleTree Early Learning Public Charter School, as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of functional expenses and schedules of average cost per student are presented for purposes of additional analysis and are not a required part of the financial statements. In addition, the accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare to the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting to prepare the financial statements or to the financial statements accounting and other records used to prepare the financial statements are and certain additional procedures. In cluding procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 14, 2016, on our consideration of the AppleTree Early Learning Public Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the AppleTree Early Learning Public Charter School's internal control over financial reporting and compliance.

Supplemental Disclosures:

- a) No income taxes were paid during the years ended June 30, 2016 and 2015.
- b) No interest was paid during the years ended June 30, 2016 and 2015.

Non-Cash Disclosure:

a) The payments for leasehold improvements for the year ended June 30, 2015, as presented in the Investing Activities, include the value of donated plumbing/construction work in the amount of \$29,150.

1. ORGANIZATION

The AppleTree Early Learning Public Charter School (the Charter School), a District of Columbia Not-for-Profit Corporation, was incorporated on September 22, 2004, exclusively for educational purposes. The mission of the Charter School is to close the achievement gap before children get to kindergarten by providing three and four year olds with the social, emotional, and cognitive foundations that will enable them to succeed in school.

Description of Program Services

The Charter School is open to any Washington, DC, child in pre-school and pre-kindergarten and admission is free. The Charter School currently serves 653 children at six public charter preschool campuses across the District. In 2014-15, the Charter School successfully concluded its ten-year charter review with its authorizer, the DC Public Charter School Board, and received approval to increase its enrollment cap to 833 students by School Year 2016-2017.

The Charter School utilizes the comprehensive and evidence-based *Every Child Ready* instructional model that was developed by AppleTree Institute for Education Innovation with the assistance of an Investing in Innovation (i3) grant from the US Department of Education. The model builds language, literacy, and memory skills using regular assessments and data outcomes throughout the school year. Emphasis is placed on student growth, differentiated by students' baseline knowledge.

The Charter School's primary sources of support are local appropriations for charter schools from the District of Columbia Government.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies of the Charter School are summarized below:

(a) <u>Basis of Accounting and Presentation</u>:

The accompanying financial statements have been prepared on the accrual basis of accounting, which presents financial position, activities, functional expenses, and cash flows in accordance with accounting principles generally accepted in the United States of America.

(b) <u>Revenue Recognition</u>:

Federal and Charter School Funding

The Charter School receives a student allocation from the District of Columbia as well as federal funding to cover the cost of academic expenses. The student allocation is on a per pupil basis and includes the academic year funding, special education funding, and a facilities allotment. The Charter School recognizes this funding in the year in which the school term is conducted. Funding received in advance of the school term is recorded as a refundable advance. Federal entitlements are recognized based on the allowable costs incurred.

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>: (Continued)

(b) <u>Revenue Recognition</u>: (Continued)

Contributions

The Charter School has adopted Financial Accounting Standards Board ASC No. 958-605-25, *Accounting for Contributions Received and Contributions Made.* As such, contributions are recognized as revenue when they are received or unconditionally pledged.

All contributions are available for unrestricted use unless specifically restricted by the donor. Contributions and promises to give with donor-imposed conditions are recognized as unrestricted support when the conditions on which they depend are substantially met. Contributions and promises to give with donor-imposed restrictions are reported as temporarily restricted support. Unconditional promises to give due in the next year are recorded at their net realizable value.

The Charter School reports gifts of equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. The Charter School reports expirations of donor restrictions when the donated or acquired assets are placed in service.

(c) <u>Corporate Taxes</u>:

The Charter School is exempt from federal and state income taxes (other than on unrelated business income) under the provisions of Section 501(c)(3) of the Internal Revenue Code and similar state income tax laws. Accordingly, no provisions for income taxes have been provided for in the accompanying financial statements. The Charter School has been classified as other than a private foundation under Section 509(a)(1) of the Internal Revenue Code and accordingly contributions qualify as a charitable tax deduction by the contributor under Section 170(b)(i)(A)(ii). The Charter School did not have any net unrelated business income for the year ended June 30, 2016.

The Charter School is also exempt from District of Columbia sales and personal property taxes.

(d) Grants:

Grant revenues are received primarily from Federal agencies and the District of Columbia Government and recorded as costs are incurred. These grants are subject to financial and compliance audits by the grantor agencies. No provision for possible adjustments for disallowed costs has been made in the accompanying financial statements, as management believes any such adjustment would not have a material effect on the financial statements.

Cash receipts in excess of costs incurred for grants are reflected as refundable advances until they are expended for the purpose of the grant, at which time they are recognized as unrestricted support. Costs incurred in excess of cash received are reflected as grants receivable.

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>: (Continued)

(e) <u>Net Assets</u>:

The Charter School has adopted Financial Accounting Standards Board ASC No. 958-205-05, *Financial Statements of Not-for-Profit Organizations*, which requires reporting information regarding its financial position and activities according to three classes of net assets.

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Charter School and changes therein are classified and reported as follows:

Unrestricted Net Assets

Net assets that are not subject to donor-imposed restrictions and over which the Board of Trustees has discretionary control. This classification includes net assets subject to donor-imposed conditions, which have been met in the current year and net assets subject to donor-imposed restrictions that have been released from restrictions.

Temporarily Restricted Net Assets

Net assets subject to donor-imposed restrictions that may meet, or will be met, by actions of the Charter School and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. There were no temporarily restricted net assets at June 30, 2016. In addition, there were no net assets released from donor restrictions during the year.

Permanently Restricted Net Assets

Net assets subject to donor-imposed stipulations that they be maintained permanently by the Charter School. Generally, the donors of these assets permit the use of all or part of the income earned on any related investments for general or specific purposes. The Charter School did not have any permanently restricted net assets as of June 30, 2016.

(f) Donated Services, Materials and Facilities:

Donated services and materials are recognized as contributions in accordance with FASB ASC 958, *Accounting for Contributions Received and Contributions Made*, if the services received create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Contributed services and promises to give services that do not meet the above criteria are not recognized. In-kind contributions for space, supplies, and professional services are recorded in the Statement of Activities at estimated fair value and recognized as revenue and expense in the period they are received, except for donated fixed assets, which is recorded as revenue in the period received and the asset is depreciated over its estimated useful life.

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>: (Continued)

(f) Donated Services, Materials and Facilities: (Continued)

The estimated value of donated services and facilities has been recorded in the financial statements as follows:

		30, 2016	June 30, 2015		
Facilities Legal Services	\$	2,600	\$	- 29,150	
Total	<u>\$</u>	2,600	\$	29,150	

A number of volunteers donated significant amounts of their time in the Charter School's supporting services for which no value has been assigned. The time contributed by the Charter School's Board of Trustees is uncompensated and is not reflected as donated services.

(g) <u>Functional Expense Allocation Policies and Procedures</u>:

The schedule of functional expenses presents an allocation of each expense category between program services, general and administrative, and fundraising activities. Program service costs pertain to educating students and include direct student expenses, such as textbooks, materials, assessment material, and contractual educational services. General and administrative costs pertain to supporting activities. Fundraising costs relate to fundraising activities such as special events, fundraisers and soliciting of contributions.

Direct costs, where identifiable, are allocated in whole to the appropriate functional category. Other expenses that are not directly identifiable by program are allocated based on management estimates of use of resources.

(h) <u>Use of Estimates</u>:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of support and revenues and expenses during the reporting period. Actual results could differ from those estimates.

(i) <u>Recognition of Salary Expense</u>:

Salary expense is recognized in the year the service is rendered, which coincides with the academic year. Salaries unpaid at June 30 are recognized as expense and accrued salaries.

(j) <u>Fair Value of Certain Financial Instruments</u>:

Some of the Charter School's financial instruments are not measured at fair value on a recurring basis but are recorded at amounts that approximate fair value due to their liquid or short-term nature. Such accounts include cash, accounts receivable, prepaid expenses, accounts payable, and accrued expenses.

3. ACCOUNTING FOR UNCERTAIN TAX POSITIONS:

Accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in the Charter School's financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return. The Charter School performed an evaluation of uncertain tax positions for the year ended June 30, 2016, and determined that there were no matters that would require recognition in the financial statements or that may have any effect on its tax-exempt status. As of June 30, 2016, the statute of limitations for tax years 2012 through 2014 remains open with the U.S. federal jurisdiction or the various states and local jurisdictions in which the organization files tax returns. It is the Charter School's policy to recognize interest and/or penalties related to uncertain tax positions, if any, in income tax expense. As of June 30, 2016, the Charter School had no accruals for interest and/or penalties.

4. <u>CASH AND CASH EQUIVALENTS</u>:

Cash at June 30, 2016 and 2015, totaled \$3,723,719 and \$2,832,534, respectively, and consisted of the following:

	June 30, 2016		June 30, 2015	
Repurchase Account Non-Interest Bearing Checking Account Demand Deposit Checks on Hand	\$	2,863,258 652,520 207,941	\$	2,036,748 713,858
Total	<u>\$</u>	3,723,719	<u>\$</u>	2,832,534

For purposes of the cash flow statement and financial statement presentation, cash and cash equivalents are short term, highly liquid investments with maturities of three months or less. Total cash and cash equivalents does not include cash held in trust for debt service.

The Charter School maintains its operating funds in two separate financial institutions. These checking accounts are covered under the Federal Deposit Insurance Corporation (FDIC) Program. Federal Deposit Insurance Corporation Insurance coverage is \$250,000 per account category. Deposits held in non-interest-bearing transaction accounts are aggregated with any interest-bearing deposits and the combined total insured up to \$250,000.

As of June 30, 2016 and 2015, \$382,895 and \$229,820, respectively, of the bank balance was deposited in excess of Federal Deposit Insurance Corporation limits. The Charter School has not experienced any losses related to these accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

Repurchase Agreement

The Charter School entered into a repurchase agreement with the Bank of Georgetown in which the bank agreed to transfer to the Charter School an interest in securities issued or guaranteed by the United States or an agency thereof against the transfer of funds from the Charter School to the respective bank.

4. <u>CASH AND CASH EQUIVALENTS</u>: (Continued)

Repurchase Agreement (Continued)

Per the repurchase agreement, funds in excess of \$400,000 are transferred out on a daily basis and transferred back in the following day along with interest earned. The Charter School has not experienced any losses related to these accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

Cash held in Trust for Debt Service

Under the terms of the indenture agreement executed in connection with the bonds payable, the Charter School has established a Debt Service Reserve Fund, held in trust as additional collateral for the debt for the purpose of covering any deficiency in bond payment requirements. The balance as of June 30, 2015 was \$207,941. On December 1, 2015, because no event of default or violation of loan covenants existed, the full amount of restricted cash held in the Debt Service Reserve Fund was released from its restriction.

5. ACCOUNTS AND GRANTS RECEIVABLE:

Accounts and grants receivable balances as of June 30, 2016 and 2015 consisted of the following:

	June 30, 2016		June 30, 2015	
Accounts Receivable:				
Per Pupil Funding	\$	41,472	\$	51,304
Reimbursable Expenses - Property Taxes		61,740		61,740
E-Rate Program		34,463		-
United Planning Organization		31,850		-
Reimbursable Expenses - Other		982		5,168
Student Activity Fees				3,606
Total Accounts Receivable	<u>\$</u>	170,507	<u>\$</u>	121,818
Grants Receivable:				
SOAR - Early Childhood	\$	113,644	\$	-
SOAR - Increasing Academic Quality		-		2,136
National Food Programs		58,974		27,286
Early Care and Education Assistance		20,574		17,598
Medicaid - School Based Services		106,444		4,307
Healthy Schools Act		2,754		1,269
Other		2,114		753
Total Grants Receivable	<u>\$</u>	304,504	\$	53,349

Accounts and grants receivable are current and considered by management to be fully collectible.

5. <u>ACCOUNTS AND GRANTS RECEIVABLE</u>: (Continued)

Accounts and grants receivables are recorded when billed or accrued and reported net of an allowance for doubtful accounts, if any. Management provides for probable uncollectible amounts through bad debt expense and only after reasonable collection efforts have been exhausted. Management believes that no allowance for doubtful accounts is required at June 30, 2016 and 2015.

Trade receivables related to program service fees (activity fees, before and after care, etc.) are recognized as revenue at the time the program activity has occurred. Trade receivables are written off as uncollectible when payment has not been received after 180 days.

6. FIXED ASSETS:

Furniture and equipment are recorded at cost. Contributed property is recorded at fair market value at the date of the contribution. The Charter School uses a capitalization threshold of \$1,000 and an estimated useful life greater than one year. As assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in that period. Depreciation has been recorded on the straight-line method over the estimated useful lives of the assets. Major classifications of fixed assets and their estimated useful lives are as summarized below:

<u>June 30, 2016</u>	Depreciable Life	 Cost		ccumulated	N	let Book Value
Land Furniture and Equipment Computer Equipment Leasehold Improvements	N/A 7 Years 3 Years 45 Months	\$ 184,418 490,188 341,788 5,026,764	\$	(421,376) (259,930) (1,124,682)	\$	184,418 68,812 81,858 <u>3,902,082</u>
Total		\$ 6,043,158	<u>\$</u>	(1,805,988)	\$	4,237,170
June 30, 2015	Depreciable Life	 Cost		ccumulated Depreciation	N	Vet Book Value

Depreciation and amortization expense for the years ended June 30, 2016 and 2015, was \$455,552 and \$423,193, respectively.

June 30, 2016

7. OTHER ASSETS - BONDS ISSUANCE COSTS:

Bond issuance costs consist of acquisition costs related to the bond financing used to fund the Charter School's capital renovations at two campuses. These costs are amortized on a straight-line basis over 17 years (the life of the bonds). Amortization expense was \$19,369 for both the years ended June 30, 2016 and 2015. The unamortized balance of bond issuance costs at June 30, 2016 and 2015, was \$219,517 and \$238,886, respectively, as follows:

	June 30, 2016		June 30, 2015	
Bond Issuance Costs Accumulated Amortization	\$	329,275 (109,758)	\$	329,275 (90,389)
Total	<u>\$</u>	219,517	<u>\$</u>	238,886

8. BONDS PAYABLE:

On November 1, 2010, the Charter School, through the District of Columbia, issued \$3,535,000 of District of Columbia Revenue Bond Series 2010. The bonds are scheduled to mature on December 1, 2027. The interest rate on the bonds was determined by taking the sum of the original purchaser's five-year cost of funds rate, plus 3.5%, less the tax credit of 5.36%, resulting in a zero (0%) interest rate to the Charter School. Proceeds were used for renovations of two leased school buildings at 138 12th Street NE, Washington, DC (Lincoln Park) and at 2015-17 Savannah Terrace SC, Washington, DC (Douglas Knoll).

The bonds are collateralized by the assets and the per pupil facilities fees at the two campuses. The bonds require principal payments to a sinking fund in the amount of \$18,316 per month commencing on December 1, 2011, and continuing until the maturity date. The bonds have three scheduled call dates of December 1, 2015, 2020, and 2026. The bonds are guaranteed in full by the AppleTree Institute for Education Innovation, a related party.

Principal payments of \$219,792 were made during the fiscal year ended June 30, 2016. The principal balance was \$2,527,620 at June 30, 2016.

Annual maturities of the bonds payable as of June 30 follow:

	P	Principal Interest		erest		Total
2017	\$	219,792	\$	-	\$	219,792
2018		219,792		-		219,792
2019		219,792		-		219,792
2020		219,792		-		219,792
2021		219,792		-		219,792
Thereafter		1,428,660				1,428,660
Total	\$	2,527,620	\$		<u>\$</u>	2,527,620

9. DISTRICT OF COLUMBIA PUBLIC CHARTER SCHOOL BOARD CONTRACT:

The District of Columbia Public Charter School Board (DCPCSB) is responsible for the ongoing oversight of the Charter School's fiscal management and academic acceptability. The contract dated June 8, 2005, provides for a 15-year charter effective the date of first operation. If not renewed, the charter contract will expire on or about January 1, 2020. The charter contract may be renewed for successive 15-year periods if the DCPCSB deems that the Charter School complies with its charter contract and District statutory provisions. In addition, in accordance with the Charter School Act, the DCPCSB is required to review the Charter School's charter every five years. The first such review occurred in the spring of 2010. The DCPCSB may revoke (or not renew) a charter school contract if a school violates applicable law, materially violates the charter contract. In the past year, the Charter School successfully concluded its ten-year charter review with its authorizer, the DC Public Charter School Board. Management does not anticipate non-renewal or revocation of its charter.

As part of the agreement with the DCPCSB, the Charter School may be charged a public charter school fee, which is not to exceed one percent of the total revenues (less philanthropic and investment revenues) within the annual budget to cover the costs of undertaking the ongoing administrative responsibilities of the Board. For the years ended June 30, 2016 and 2015, the Charter School incurred \$138,112 and \$133,523, respectively, in administrative fees.

The charter contract provides that the Charter School may educate up to a predetermined number of students. However, this enrollment limit may be raised upon notification to and acceptance by the DCPCSB. The Charter School enrollment ceiling for the year ended June 30, 2016, was 673 students. Actual enrollment for the 2015/2016 year was 653 students.

10. PER PUPIL FUNDING ALLOCATION:

The Charter School receives local funding from the District of Columbia in the form of per pupil educational allotments and facility allotments. This funding is calculated annually and based on the equivalent number of full-time students. For the year ended June 30, 2016, the per pupil rate ranged from \$12,340 to \$12,719 for the educational allotment and \$3,124 for the facility allotment. For the year ended June 30, 2015, the per pupil rate ranged from \$12,340 to \$12,719 for the educational allotment. Additional allotments were given for Special Education needs and At Risk Students. Per-pupil funding for the years ended June 30, 2016 and 2015 was as follows:

	June 30, 2016		June 30, 2015	
General Education	\$	8,567,004	\$	8,351,708
Facilities Allowance		2,039,972		1,990,656
At Risk Students		686,070		616,037
Special Education		500,188		388,603
Summer School				318,523
Total	<u>\$</u>	<u>11,793,234</u>	<u>\$</u>	11,665,527

11. FEDERAL ENTITLEMENTS AND GRANTS:

During the years ended June 30, 2016 and 2015, the Charter School participated in the following federal award programs:

	June	e 30, 2016	June 30, 2015	
National School Lunch and Breakfast Programs	\$	358,986	\$	297,652
Fresh Fruits and Vegetables Program		37,116		32,038
SOAR - Early Childhood		285,241		-
SOAR - Increasing Academic Quality		6,000		196,901
Childcare Subsidy Program		144,871		-
Medicaid - School Based Services		117,455		19,468
Individuals with Disabilities Education Act (IDEA)		8,255		11,473
McKinney Vento		250		750
Special Populations Grant		-		97,831
Charter School Planning and Implementation Grant				
(Title V, Part B)				8,760
Total	\$	958,174	\$	664,873

Federal formula grants are allocations of money to states or their subdivisions in accordance with distribution formulas prescribed by law or administrative regulation, for activities of a continuing nature not confined to a specific project. The Charter School receives federal formula grants under the provisions of the No Child Left Behind Act (NCLB) of 2001, P.L 107-110. NCLB funds are not intended to replace state or local educational funding, but rather, provide additional support to states, LEAs, and schools for specific purposes. Grants are provided by the U.S. Department of Education and passed through the District of Columbia Office of State Superintendent of Education (OSSE). The National School Lunch Program and School Breakfast Program are part of the child nutrition cluster of programs operated by the U.S. Department of Agriculture

12. LEASE COMMITMENTS:

In June 2015, the Charter School and AppleTree Institute (the Institute), a related party, entered into a master lease agreement, commencing July 1, 2015, and expiring June 30, 2018. This new lease replaces a previous master lease agreement that was in effect during January 2012 thru June 30, 2015. Under the new master lease agreement, the Charter School is required to pay monthly rent based on the facilities allowance received by the Charter School from the District of Columbia, subject to minimum and maximum monthly amounts based on the per pupil facilities allowance and student enrollment. Rent was determined based on a fixed enrollment at a rate of \$2,950 per student, and adjusted as allowed under the lease. In addition, the Charter School incurs the costs of utilities and basic maintenance. For the year ended June 30, 2016, rent expense under this lease was \$849,600. For the year ended June 30, 2015, rent expense was \$988,900.

The Charter School leases certain property from AppleTree Columbia Heights, LLC, an affiliate of the Institute. The terms of this transaction are consistent with the terms of the master lease agreement with the Institute. Rent was based on a rate of \$2,950 per student (\$3,300 per student during the year ended June 30, 2015). For the years ending June 30, 2016 and 2015, rent expense under this lease was \$354,000 and \$396,000, respectively.

12. LEASE COMMITMENTS: (Continued)

In July 2011, the Charter School entered into a lease with the Institute for ground rent at its Lincoln Park Campus. The term of the lease is 20 years, with an option to extend the lease for 10 years. On June 13, 2012, both parties agreed to an amendment to the sub-lease covering management expenses for the property, effective January 1, 2012. The monthly lease obligation to be paid by the Charter School is \$806 per month.

In July 2014, The Charter School entered into a license to occupy agreement with the District of Columbia to provide a Public Charter School on the premises of Jefferson Middle School. The terms of this agreement were for a one-year term commencing on July 28, 2014 and expiring July 31, 2015. This agreement was extended for an additional one-year term expiring July 31, 2016. The monthly required payment at June 30, 2015, was \$1,625. During the years ended June 30, 2016 and 2015, the Charter School had incurred \$19,495 and \$18,087, respectively in licensing fees.

In July 2014, the Charter School entered into a sub-lease with the Institute for office space at 415 Michigan Ave NE, Washington, DC. The lease commences on July 1, 2014 and expires March 31, 2017. The monthly lease payment for the fiscal year ending June 30, 2016 and 2015 was \$5,245 and \$5,154, respectively. Future minimum lease payments are as follows:

Year Ended June 30,	
2017	\$ 1,262,102
2018	1,213,272
2019	9,672
2020	9,672
2021	9,672
Total	<u>\$ 2,504,390</u>

Total rent expense and licensing fees for the years ended June 30, 2016 and 2015, are as follows:

12. LEASE COMMITMENTS: (Continued)

Equipment:

The Charter School maintains operating leases for copier equipment. Lease terms are for 36 months, with monthly lease amounts ranging from \$143 to \$195. Equipment rental expense totaled \$3,055 and \$3,534 for the years ending June 30, 2016 and 2015, respectively. Future minimum payments due under such leases are as follows:

Year Ended June 30,		
2017	\$	1,716
2018		429
Total	<u>\$</u>	2,145

13. <u>RELATED PARTY TRANSACTIONS</u>:

The Charter School was designed by AppleTree Institute for Education Innovation, Inc. (the Institute), a not for profit organization, whose mission is to increase the number of effective schools through innovation, to provide accelerated early language and literacy programs to underserved preschoolers in Washington, DC and to raise the trajectory of their future learning success. The Institute supports the Charter School as a strategic partner, and commits to fund any operating shortfalls of the Charter School. The Charter School leases some of its facilities from the Institute (Note 12).

Effective July 1, 2015, the Charter School and the Institute entered into a services agreement outlining the division of specific administrative and operating costs. During the year ended June 30, 2016, the Institute billed \$481,035 of expenses for shared payroll and administrative costs to the Charter School. The Institute incurred \$263,531 of expenses for shared payroll and administrative costs provided by the Charter School. In addition, the Charter School billed the Institute a total of \$104,637 for operating expenses shared between the Charter School and the Institute. As of June 30, 2016 and 2015, the Charter School has a net amount due to the Institute of \$95,412 and \$177,675, respectively.

The bonds issued by the Charter School are guaranteed in full by the Institute (Note 8).

The Charter School and the Institute share common board members. Two of the members appointed to serve on the board are parents of students currently attending the Charter School.

14. CONTINGENCIES:

The Charter School was granted its charter by the District of Columbia Public Charter School Board, authorized under the District of Columbia School Reform Act of 1995, Public Law 104-134, as amended. The Charter School has no reason to believe that this relationship will be discontinued in the foreseeable future. However, any interruption of this relationship (i.e. the failure to continue the charter authorization or withholding funds) could adversely affect the School's ability to finance ongoing operations.

14. CONTINGENCIES: (Continued)

The Charter School depends on per pupil allocations, grants, and contributions for a significant portion of its revenues. The ability of the sources of revenues to continue giving amounts comparable with prior years may be dependent upon future economic conditions and continued deductibility for income tax purposes of grants and contributions to the Charter School. While the Charter School's board of trustees and management believes the Charter School has the resources to continue its programs, its ability to do so, and the extent to which it continues, may be dependent on the above factors.

The Charter School receives funding from various federal and state grant reimbursement programs, which are governed by various rules and regulations of the respective grantor agencies. To the extent that the Charter School has not complied with the rules and regulations governing the grants, refunds of any money received may be required. The Charter School believes that it is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing. Therefore, no provision has been recorded in the accompanying financial statements for such contingencies.

The viability of public charter schools and funding for these schools is dependent upon the consensus of current and future administration of the District of Columbia Government. Any future change in dynamics could adversely affect the operations of public charter schools.

15. ADVERTISING:

Advertising was conducted for the purpose of promoting open enrollment and student recruiting to the school and to provide outreach to the community. Advertising costs are expensed when incurred. Direct advertising expenses were \$50,767 and \$31,622 for the years ended June 30, 2016 and 2015, respectively.

16. <u>RETIREMENT PLAN</u>:

The Charter School provides pension benefits for its employees through a qualified defined contribution 403(b) retirement plan administered by a third party. The Charter School contributes, at its discretion, an amount equal to 5% of eligible compensation for employees with more than two years of service. Employer contributions for the years ended June 30, 2016 and 2015 totaled \$132,614 and \$138,308, respectively.

17. SUBSEQUENT EVENTS:

Financial Statement Preparation:

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 14, 2016, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements.

Enrollment:

Enrollment for the 2016/2017 school year is approximately six hundred thirty (630) students, as compared to six hundred fifty-three (653) students during the 2015/2016 school year.

APPLETREE EARLY LEARNING PUBLIC CHARTER SCHOOL NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2016

Note 1 - Basis of Presentation:

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Charter School under programs of the federal government for the year ended June 30, 2016. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Charter School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Charter School.

Note 2 - <u>Summary of Significant Accounting Policies</u>:

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The Charter School has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note 3 - Major Program Selection:

The major Federal Award Programs selected for testing are as follows:

U.S. Department of Agriculture

- School Breakfast and National School Lunch Program

The requirements of the Uniform Guidance dictate all major programs as determined by the auditor on a risk-based approach and/or at least 40% (20% for low risk auditees) of all federal awards be subject to specific control and compliance testing. For the AppleTree Early Learning Public Charter School, the programs subject to these requirements are as listed above. The total expenditures of these programs represent 37.50% of the total federal expenditures.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of AppleTree Early Learning Public Charter School (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 14, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered AppleTree Early Learning Public Charter School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of AppleTree Early Learning Public Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control, such that there is the prevented and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether AppleTree Early Learning Public Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Report on Compliance for Each Major Federal Program

We have audited the AppleTree Early Learning Public Charter School's (a nonprofit organization) compliance with the types of compliance requirements described in the *Compliance Supplement* that could have a direct and material effect on each of AppleTree Early Learning Public Charter School's major federal programs for the year ended June 30, 2016. The AppleTree Early Learning Public Charter School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs and in the notes to the Schedule of Expenditures of Federal Awards.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the AppleTree Early Learning Public Charter School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the AppleTree Early Learning Public Charter School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the AppleTree Early Learning Public Charter School's compliance.

Opinion on Each Major Federal Award Program

In our opinion, the AppleTree Early Learning Public Charter School, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of the AppleTree Early Learning Public Charter School is responsible for establishing and maintaining effective internal control over compliance with the types of requirements referred to above. In planning and performing our audit of compliance, we considered the AppleTree Early Learning Public Charter School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the AppleTree Early Learning Public Charter School's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiency, or a combination of deficiency, or a combination of deficiency with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

APPLETREE EARLY LEARNING PUBLIC CHARTER SCHOOL SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS FOR THE YEAR ENDED JUNE 30, 2016

- I. <u>Findings relating to the federal awards, which are required to be reported in accordance with the Uniform Guidance</u>
 - 2015-01 <u>Condition</u> During audit testing as it related to the National School Lunch and Breakfast Program, documentation was requested for a sample of separate families to determine whether the eligibility status was properly determined. The families selected for testing represented the same families that were selected by the Charter School from their random sample of three percent (3%) of the total approved applications. Upon inquiry, it was determined that only one application was able to be provided to us.

Status - This finding was not repeated in the current year.

APPLETREE EARLY LEARNING PUBLIC CHARTER SCHOOL SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2016

I. <u>Summary of Audit Results</u>

- a. The auditor's report expresses an unmodified opinion on whether the financial statements of the Charter School were prepared in accordance with generally accepted accounting principles.
- b. No significant deficiencies relating to the audit of the financial statements have been reported.
- c. No instances of noncompliance material to the financial statements of the Charter School, which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.
- d. No significant deficiencies relating to the audit of the major federal award program have been reported.
- e. The Auditor's report on compliance for the major federal award program for the AppleTree Early Learning Public Charter School expresses an unmodified opinion.
- f. There are no audit findings that are required to be reported in accordance with 2 CFR Section 200.516 (a) of the Uniform Guidance in the Schedule of Findings and Questioned Costs.
- g. The major programs of the AppleTree Early Learning Public Charter School were as follows:

Programs	CFDA #
School Breakfast and National School Lunch Program	10.553/10.555

- h. The dollar threshold utilized to determine Type A programs was \$750,000.
- i. The AppleTree Early Learning Public Charter School did qualify as a low-risk auditee.
- II. <u>Findings relating to the financial statements which are required to be reported in accordance with</u> <u>Government Auditing Standards</u>

There were no findings in the current year.

III. <u>Findings relating to federal awards</u>, which are required to be reported in accordance with the <u>Uniform Guidance</u>

There were no findings in the current year.
