## Independent Auditors' Report

To the Board of Trustees Capital City Public Charter School Washington, D.C.

## **Report on the Financial Statements**

We have audited the accompanying financial statements of Capital City Public Charter School (CCPCS) a nonprofit organization, which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CCPCS as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

To the Board of Trustees Capital City Public Charter School

## **Other Matters**

#### **Other Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 18, 2016, on our consideration of CCPCS' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CCPCS' internal control over financial reporting and compliance.

Councilor Buchanan + Mitchell, P.C.

Noncash Transaction from Investing and Financing Activities

During the year ended June 30, 2016, CCPCS entered into a capital lease agreement for office equipment valued at approximately \$121,000.

## NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

## 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Organization

Capital City Public Charter School (CCPCS) is a not-for-profit corporation incorporated in the District of Columbia in December of 1999. CCPCS began operations on September 6, 2000. CCPCS implements the Expeditionary Learning Outward Bound (ELOB) school design, which uses "learning expeditions" to challenge students to meet rigorous academic and character standards.

The mission of CCPCS is to enable a diverse group of children to meet high expectations, develop creativity, critical thinking, problem-solving skills, and achieve a deep understanding of complex subjects, while acquiring a love of learning and a strong sense of community and character.

The school served 981 and 971 students during the years ended June 30, 2016 and 2015, respectively.

## Income Taxes

CCPCS is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code) and did not conduct unrelated business activities. In addition, CCPCS has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Code.

CCPCS requires that a tax position be recognized or derecognized based on a "more-likely-thannot" threshold. This applies to positions taken or expected to be taken in a tax return. CCPCS does not believe its financial statements include, or reflect, any uncertain tax positions.

CCPCS' Form 990, *Return of Organization Exempt from Income Tax*, is subject to examination by the taxing authorities generally for three years after filing.

#### **Revenue Recognition**

A substantial portion of CCPCS' revenue is derived from the District of Columbia Public School system based on enrollment. The revenue is recognized ratably over the school year. Revenue from other government sources generally represents various entitlements and is recognized as earned.

## Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, money market funds and other highly liquid instruments with maturities, when initially purchased, of less than three months.

## Receivables

Receivables consist primarily of amounts due from federal grants, other grants, pledges from individuals, and other receivables from the Office of the State Superintendent of Education of the District of Columbia. The management of CCPCS reviews the collectability of the receivables on a monthly basis. Management believes all amounts are fully collectable and, therefore, no allowance is necessary.

## NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

#### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Fixed Assets

CCPCS capitalizes all fixed asset acquisitions of \$1,000 and above. Fixed assets are carried at cost, if purchased, or fair market value at date of donation, if contributed. Depreciation is provided using the straight-line method over the estimated useful life of the asset or for leasehold improvements the shorter of the useful life or the remaining lease term. Expenditures for fixed assets and related betterments that extend the useful lives of the assets are capitalized. Expenditures for maintenance and repairs, including planned major maintenance activities, are charged to expense as incurred.

#### **Contributions**

Contributions are recognized when the donor makes a promise to give that is, in substance, unconditional.

#### **Donated Services**

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by CCPCS.

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Temporarily Restricted Net Assets

CCPCS reports gifts of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

#### Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities and statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### **Reclassifications**

Certain 2015 amounts have been reclassified for comparative purposes.

## Notes to Financial Statements June 30, 2016 and 2015

## 2. CONCENTRATIONS

During the years, CCPC'S cash balances at financial institutions exceeded the Federal Deposit Insurance Corporation (FDIC) limits. Management believes the risk in these situations to be minimal.

As of June 30, 2016 and 2015, 100% of the total federal grants receivables were due from the District of Columbia Office of the State Superintendent.

## 3. **REFUNDABLE ADVANCES**

CCPCS records grant/contract revenue as a refundable advance until it is expended for the purpose of the grant, at which time it is recognized as revenue. The balance in refundable advances at June 30, 2016 and 2015 represents amounts received that will be expended in the next fiscal year in accordance with the grant/contract period.

As of June 30, 2016 and 2015, refundable advances consisted of the following:

| Description                          | 2  | 2015       |    |     |
|--------------------------------------|----|------------|----|-----|
| NCLB Title II<br>Healthy Schools Act | \$ | 921<br>258 | \$ | 921 |
| Total                                | \$ | 1,179      | \$ | 921 |

## 4. **PER PUPIL ALLOTMENT**

CCPCS receives an annual per pupil allotment from the District of Columbia based on its student enrollment which is a substantial portion of its revenue. If a significant reduction in this revenue should occur, it may have a material effect on CCPCS programs. During the years ended June 30, 2016 and 2015, CCPCS earned revenue of approximately \$17,884,000 and \$18,270,000, respectively, from the District of Columbia, which is approximately 88% and 89% of total revenue, respectively. These amounts are reflected as the District of Columbia, per pupil allocation and per pupil facilities revenue in the accompanying statements of activities.

## 5. LOANS PAYABLE AND COMMITMENTS

## Loans Payable

In July 2014, the District of Columbia issued \$19,200,000 of tax-exempt variable rate demand revenue bonds (the Series 2014 Bonds), the proceeds of which were loaned to CCPCS via direct placement with a bank. The bonds mature in July 2044. Both principal and interest are payable based on a 23-year mortgage style amortization such that the principal balance will be retired at the end of the first option period of the ground lease discussed in Note 7. Principal is payable based on a fixed schedule, while interest is payable based on a rate that varies monthly. Payments began September 1, 2014. The variable interest rate is 78% of the 30-day LIBOR plus 1.76% during the seven-year initial floating rate period, which ends in July 2021. For the years ended June 30, 2016 and 2015, the average interest rates were approximately 2.01% and 1.89%, respectively. Subsequent to the initial floating rate period, the variable rate will be determined by applying a margin to a percentage of the 30-day LIBOR, with such margin and percentage being determined by the

## NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

#### 5. LOANS PAYABLE AND COMMITMENTS (CONTINUED)

#### Loans Payable (Continued)

bank, or may be converted to a fixed rate. Such determination of the interest rate for each interest rate period will be consistent with the bank's then-current pricing practices. Further, the bank may call or accelerate the loan at the end of the initial, or any subsequent floating rate period. The duration, as well as interest rates, of subsequent floating rate periods will be determined at the end of each preceding interest rate period. For the years ended June 30, 2016 and 2015, the outstanding balance of the loan was \$18,193,687 and \$18,750,278, respectively.

The Series 2014 Bond proceeds were used to repay the outstanding balances of the original Senior Loan and Subordinate Debt used to finance renovating and equipping the School, as well as to fund certain issuance costs. The Series 2014 Bonds are secured by substantially all of the assets of CCPCS and contain restrictive covenants as well as various financial covenants including maintaining a certain debt service coverage ratio and minimum liquidity. As of June 30, 2016 and 2015, CCPCS was in compliance with all of its debt covenants.

The future scheduled maturities of the Series 2014 Bonds are as follows:

For the Years Ending June 30,

| 2017       | \$ 577,538    |
|------------|---------------|
| 2018       | 599,273       |
| 2019       | 621,826       |
| 2020       | 645,228       |
| 2021       | 669,510       |
| Thereafter | 15,080,312    |
| Total      | \$ 18,193,687 |

#### Interest Rate Swap Agreement

In July 2014, CCPCS entered into a seven-year interest rate swap agreement (the Swap Agreement) to reduce its exposure to interest rate risk on its variable rate debt. The Swap Agreement covers a nominal principal value of \$9,600,000, which represented 50% of the outstanding principal balance of the Series 2014 bonds at issuance.

The Swap Agreement fixes the interest rate at 3.69% on \$9,600,000 of the variable rate debt. The Swap Agreement matures on July 1, 2021, which coincides with the end of the initial floating rate period. The fair value of the swap at June 30, 2016 and 2015, are liability positions of \$624,852 and \$313,336, respectively. The fair value is determined using forward-looking assumptions of interest rates and is not adjusted for non-performance risk of either party. CCPCS does not believe there is significant counter-party risk associated with its Swap Agreement as its counter-party is a highly rated bank.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

#### 5. LOANS PAYABLE AND COMMITMENTS (CONTINUED)

#### Interest Rate Swap Agreement (Continued)

The following table presents the notional principal amounts of CCPCS' interest rate swap and related treatment in the financial statements.

|   | Notational<br>Value at Expiration<br>June 30, 2016 Date |           | Estimated<br>Fair Value at<br>June 30, 2016 |           |    |           |
|---|---|-----------|---|-----------|----|-----------|
| Series 2014 Bonds   | \$  | 9,600,000 | 7   | /1/2021   | \$ | (624,852) |
|   |   |           |   | 2016      |    | 2015      |
| Statement of Financial Position Location<br>Interest Rate Swap                                |   |           | \$  | 624,852   | \$ | 313,336   |
| Location of Loss in the Statement of Activities<br>Change in Fair Value of Interest Rate Swap |   |           | \$  | (311,516) | \$ | (313,336) |

#### 6. FAIR VALUE MEASUREMENTS

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels as follows:

*Level 1* - inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets;

*Level 2* - inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability other than quoted prices, either directly or indirectly, including inputs in markets that are not considered to be active;

*Level 3* - inputs to the valuation methodology are unobservable and significant to the fair value measurement. The inputs to the determination of fair value require significant management judgment.

The following presents CCPCS' liabilities measured at fair value as of June 30, 2016:

| Description        | Level | 1 | ]  | Level 2 | Leve | 13 | 1  | Total   |
|--------------------|-------|---|----|---------|------|----|----|---------|
| Interest Rate Swap | \$    | - | \$ | 624,852 | \$   | -  | \$ | 624,852 |
| Total Liabilties   | \$    | - | \$ | 624,852 | \$   | -  | \$ | 624,852 |

The following presents CCPCS' liabilities measured at fair value as of June 30, 2015:

| Description        | Level 1 |   | <br>Level 2   | Level 3 | 3 | <br>Total     |
|--------------------|---------|---|---------------|---------|---|---------------|
| Interest Rate Swap | \$      | - | \$<br>313,336 | \$      | - | \$<br>313,336 |
| Total Liabilties   | \$      | - | \$<br>313,336 | \$      | - | \$<br>313,336 |

Cash and Cash Equivalents - The carrying amounts reported in the statements of financial position approximate fair values because of the short maturities of those instruments.

## NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

#### 6. FAIR VALUE MEASUREMENTS (CONTINUED)

Interest Rate Swap Obligation - Fair value is estimated by the commercial bank issuing the swap agreement based on current market terms of swap agreements with similar durations and interest rates.

Loans Payable - The carrying amounts of loans payable approximate fair values because those financial instruments predominantly bear interest at variable rates that approximate current market rates for loans with similar maturities and credit quality.

#### 7. LEASING ARRANGEMENTS

#### Ground Lease

On October 17, 2011, CCPCS entered into a twenty-five year ground lease (the Ground Lease) with the District of Columbia for the School facility at 100 Peabody Street, NW, Washington, D.C. The Ground Lease commenced on September 1, 2012. The Ground Lease contains an option to extend the term for an additional twenty-five years if exercised within twelve months prior to the expiration of the original term. The Ground Lease contains a credit for the amount spent on leasehold improvements and renovations of the building to be applied to the first fifteen years of rent on a dollar for dollar basis. Any remaining amount of renovation costs not used by year fifteen will be taken as a credit and amortized over the remaining term. Annual rent is \$1,496,000. Under the terms of the Ground Lease as of June 30, 2013 the available credit is approximately \$23,051,000. If CCPCS uses the entire credit available, CCPCS would not pay rent until September 1, 2027. Assuming that the entire credit is used, the future minimum Ground Lease payments are expected to be approximately \$14,349,000. Under accounting principles generally accepted in the United States of America (GAAP) all rental payments, including fixed rent increases, are recognized on a straight-line basis over the term of the Ground Lease.

The difference between the GAAP rent expense and the required Ground Lease payments is reflected as accrued rent liability-ground lease in the accompanying statements of financial position.

Rent expense for the years ended June 30, 2016 and 2015, was approximately \$574,000 and \$594,000, respectively.

#### Capital Lease

CCPCS has entered into capital leases of certain office equipment. CCPCS is obligated under the leases through 2021.

Minimum future lease payments under the leases are as follows:

2017 \$ 36,624 2018 28,176 2019 27,408 2020 27,408 2021 6,801 **Total Minimum Lease Payments** 126,417 Less Amount Representing Interest (15,733)Present Value of Total Minimum Lease Payments 110,684

For the Years Ending June 30,

## NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

#### 8. **RETIREMENT PLAN**

CCPCS sponsors a 403(b) retirement plan (the Plan). Commencing with the date of hire, both full and part-time employees who average a minimum of 20 hours per week are eligible to participate in the Plan. The Plan provides funding in the amount of 3% for employees who contribute nothing to the Plan and up to 6% of each eligible employee's annual salary for those employees who contribute 3% to the Plan. CCPCS' contribution under the Plan for the years ended June 30, 2016 and 2015, was approximately \$581,000 and \$549,000, respectively.

#### 9. COMMITMENTS

CCPCS has entered into a contract to renovate the School's theater for approximately \$3,876,000. As of June 30, 2016, approximately \$726,000 has been completed.

#### **10.** CONTINGENCIES

CCPCS receives support and revenues from federal government grants and contracts. The ultimate determination of amounts received under these programs is generally based upon allowable costs, which are subject to audit. CCPCS is of the opinion that adjustments, if any, arising from such audits, will not have a material effect on the financial statements.

#### 11. TEMPORARILY RESTRICTED NET ASSETS

As of June 30, 2016 and 2015, temporarily restricted net assets consisted of the following:

| Purpose                                 | 2016 |        | <br>2015     |

## Notes to Financial Statements June 30, 2016 and 2015

## **12.** SUBSEQUENT EVENTS

Subsequent events were evaluated through November 18, 2016, which is the date the financial statements were available to be issued.

SUPPLEMENTARY INFORMATION

7910 WOODMONT AVENUE SUITE 500 BETHESDA, MD 20814 (T) 301.986.0600 (F) 301.986.0432 1901 L STREET, NW SUITE 750 WASHINGTON, DC 20036 (T) 202.822.0717 (F) 202.822.0739

## Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Trustees Capital City Public Charter School Washington, D.C.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Capital City Public Charter School (CCPCS), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 18, 2016.

# Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered CCPCS' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of CCPCS' internal control. Accordingly, we do not express an opinion on the effectiveness of CCPCS' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

# **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether CCPCS' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

To the Board of Trustees Capital City Public Charter School

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Independent Auditors' Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Trustees Capital City Public Charter School Washington, D.C.

## Report on Compliance for Each Major Federal Program

We have audited Capital City Public Charter School's (CCPCS) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of CCPCS' major federal programs for the year ended June 30, 2016. CCPCS' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

## Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

## Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of CCPCS' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about CCPCS' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of CCPCS' compliance.

## **Opinion on Each Major Federal Program**

In our opinion, CCPCS complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

## Report on Internal Control over Compliance

Management of CCPCS, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered CCPCS' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of CCPCS' internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency in *internal control over compliance* is a deficiency or a combination of deficiency is a deficiency or a combination of deficiency is a deficiency or a combination of deficiency is a deficiency or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2016

## **1. BASIS OF PRESENTATION**

The accompanying schedules of expenditures of federal awards (the Schedule) includes the federal grant activity of Capital City Public Charter School, under programs of the federal government for the year ended June 30, 2016. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Capital City Public Charter School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Capital City Public Charter School.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and OMB Circular A-122, *Cost Principles for Non-Profit Organization*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Capital City Public Charter School has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

## 3. **Reconciliation of Expenditures**

The financial statements of Capital City Public Charter School, are presented in accordance with U.S. generally accepted accounting principles. Expenditures per the schedule of expenditures of federal awards are reported on the statement of activities in the audited financial statements as follows:

| Description   | Total        |
|---|--------------|
| Federal Entitlements and Grants                           | \$ 1,960,900 |
| Less E-Rate (Not Considered Federal Financial Assistance) | (21,221)     |
| Total Schedule of Expenditures of Federal Awards          | \$ 1,939,679 |

## 4. FOOD COMMODITIES

Nonmonetary assistance is reported in the Schedule at the fair market value of the commodities received and disbursed.
