Washington, DC 20020

VIA EMAIL

Dear Chairperson Williams and Commissioner Simms:

Eagle Academy Public Charter School is about to submit a request to the DC Public Charter School Board (PCSB) for moving one of its two campuses, currently located at 1017 New Jersey Avenue SE (in Ward 6), to a property we recently purchased at 2403 Naylor Road SE (in Ward 8). The deadline for submitting the document to PCSB is September 30, 2016. We are hereby requesting an in-person meeting or a conference call with you for this week or early next week to discuss our request to PCSB.

In 2012, Eagle Academy PCS moved its largest campus from 770 M Street SE (in Ward 6) to 3400 Wheeler Road SE (in Ward 8). We renovated the existing DCPS building (the former Gladys McGogney Elementary School) and built a new addition. The building has been awarded LEED Gold designation, and three Design Awards by the American Institute of Architects Northern Virginia Chapter. We have been welcomed by the Congress Heights neighborhood and the ANC8E with open arms. I am certain that ANC8E Chairperson, Anthony Muhammad, will be glad to share his views with you.

Please contact Eagle Academy's Deputy Chief Operating Officer, Mayra Martinez-Fernandez, to schedule the meeting or conference call. Mayra's contact information follows: mmartinez@eagleacademypcs.org. or at (202) 459-6847. We look forward to meeting you soon. Thanks so much.

Sincerely,

Cassandra S. Pinkney
Executive Director
