DETAIL

To submit into record the complete contract package received from a Local Education Agency (LEA) and reviewed by staff for the time period of August 1, 2012 to August 31, 2012.

BACKGROUND

The District of Columbia Public Charter School Board (PCSB) is responsible for reviewing contracts entered into by an LEA worth \$25,000 or more to determine whether the LEA followed the requirements set forth in the District of Columbia School Reform Act.

<u>Non-Exempt Contract</u>: A contract subject to both the bid and review requirements. This includes: purchase orders; ordering agreements; month-to-month agreements; food service; consultant agreements; educational services (such as summer school programs and special education); and any other arrangement by which goods and services are acquired from a single vendor at a cost of \$25,000 or more over the course of the fiscal year.

<u>Exempt Contracts:</u> A contract that is not required to bid but subject to submission to the PCSB for review. This includes: lease or mortgage agreements; renewals; loan agreements; and management contracts.

This contract report represents complete contract packages received from LEAs for the time period of August 1, 2012 to August 31, 2012 and reviewed by staff.

The effective date of the contract is ten (10) days from the date the LEA submits a complete contract package to the PCSB or the effective date specified in the contract-- whichever is later.
