

## Student/Family Policies

In line with our [School Transparency Policy](#), DC PCSB aims to improve accessibility of information for DC public charter school families and other relevant parties by increasing the amount of school information publicly available.

To streamline the accessibility of information, we are providing this document which details the Student/Family Policies for the 2024-25 school year. Please click on the link below to access documentation for each LEA.

***Note: After the 2024-25 school year, all Student/Family Policies will be found on each LEA's website.***
